LOVE

I DO

KEEP CALM
AND
TAKE A
WHACK
AT OUISER!

LAUGHTER
through tears

is my favorite
EMOTION.

There is no such
thing as natural
beauty.

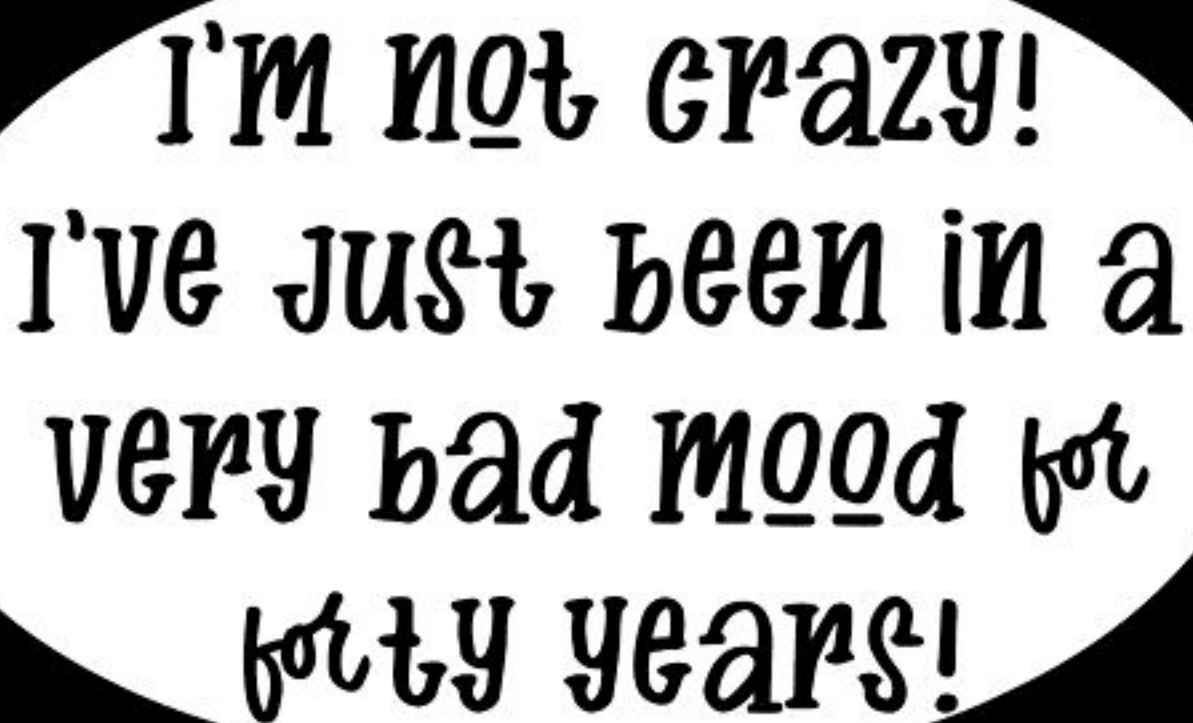

*It takes some effort
to look like this!*

*If you don't have
anything nice to say
about anybody, come
sit by me!*

I'm not crazy!
I've just been in a
very bad mood for
forty years!

The background is a solid light pink color with a repeating white floral pattern. The pattern consists of stylized leaves and swirling vines. The text is written in a dark pink, cursive font.

Pink

is my
signature
color.

SMILE!

It inhances your
face value.

Pink

is my signature color.
